

Dorfak, Cold beverage machine

- Bright and Attractive Look:**
 Cold drinks machines are equipped with one illuminated panel (Flexi) that enable display of instructions or adverts to increase sales.
- Wide Utility:**
 Machine layout and design makes it easy for the general public to use.
- Advanced Technology:**
 All machines are designed with advanced electrical and mechanical components and are able to accommodate various payment mechanisms such as bills, coins, tokens or cards.
- Wide Utility:**
 Design of machines enable them to dispense various products such as bottles and cans of different sizes.
- Security:**
 Inclusion of steel alloy in frame structures and installation of 3-stage locks ensure your investment and minimize the risk of abuse or theft.
- Peace of Mind:**
 A high-tech item backed by TellOne after-sales service and warranties suited to customer requirements, bring you comfort and peace of mind.
