

## Joben, Hot drinks machine

- **Bright and Attractive Look:**  
Hot drinks machines are equipped with two illuminated panels (Flexi) that enable display of instructions or adverts to increase sales.
- **Easy Use:**  
Utilization of tray and coil mechanism, as well as user-friendly software with broad capabilities, simplify usage for operators and customers alike.
- **Advanced Technology:**  
All machines are designed with advanced electrical and mechanical components and are able to accommodate various payment mechanisms such as bills, coins, tokens or cards.
- **Wide Utility:**  
Application of tray and coil system allows vending of all hot drinks in minimum time, while the machine is simultaneously capable to dispense sweets or candies.
- **Security:**  
Inclusion of steel alloy in frame structures and installation of 3-stage locks ensure your investment and minimize the risk of abuse or theft.
- **Peace of Mind:**  
A high-tech item backed by TellOne after-sales service and warranties suited to customer requirements, bring you comfort and peace of mind.
