

Lonak, Cold beverage & snack machine

- **Bright and Attractive Look:**
A convex double-layered glass panel acts as a display case to attract customers and increase sales.
- **Easy Use:**
Installation of multiple coils for various products, adjustable trays and user-friendly software with broad capabilities, simplify usage for operators and customers alike.
- **Advanced Technology:**
All machines are designed with advanced electrical and mechanical components and are able to accommodate various payment mechanisms such as bills, coins, tokens or cards.
- **Wide Utility:**
Utilization of various coils enable the machines to dispense numerous products including cold drinks, packed sandwiches or other refrigerated snacks.
- **Security:**
Inclusion of steel alloy in frame structures and installation of 3-stage locks ensure your investment and minimize the risk of abuse or theft.
- **Peace of Mind:**
A high-tech item backed by TellOne after-sales service and warranties suited to customer requirements, bring you comfort and peace of mind.
